

Introducing

# The Rollmor Dispenser

“A simple way to replace box tissue”

## TARGET MARKET:

- Homemakers everywhere
- Anyone looking to upgrade their tissue box

## FEATURES:

- Practical and easy to use.
- Smooth rotation due to inside carousel.
- Can accommodate standard tissue paper rolls up to 5 1/8 inch in size.

## PATENT INFORMATION:

The patent is in patent pending status.

## SUMMARY:

Replacing your ordinary tissue box has never been easier. Introducing the Rollmor Dispenser, an all in one solution!

The Rollmor Dispenser holds a standard size tissue paper roll, allowing easy access to tissue paper at any time, The Rollmor Dispenser is designed to be used in any room.

Using the Rollmor Dispenser is a breeze! Just lift the cover, place a tissue paper roll down the tapered center cylinder, hang a portion of the tissue paper over the side, then close the lid. So simple and cost effective!

The internal carousel will spin as you pull to allow for a smooth dispensing. When you have the desired amount, just tear and go! Rather than spending money on several boxes of tissue, the Rollmor Dispenser is a solution, saving you time and money.

The inside of the Rollmore Dispenser houses a rotating cylinder with a carousel like base

#### **About the Developers**

Being conservative – by only taking what you need, Thinking simple – so as not to complicate things; these are the concepts we lived by as a Miwok Indian family living in a California gold rush town. With these concepts in mind, Jeri Scambler and The Mars Rising Network present Rolmor Dispenser. Offering a simple household product that replaces buying several boxes of tissue. Best of all, design options are endless! 10% of the proceeds will go to the non-profit, Traditional Cultural Protection and Advancement, Inc. (TCP&A), promoting cultural understanding in our communities.
